

GREETINGS FROM THE SECTION CHAIR

Sue Stone
Section
Chair

Happy Fall Everyone!

As we enter the 4th Quarter of 2024, the AWHONN CA Section and Chapter Leadership teams have been busy behind the scenes preparing for exciting upcoming events.

Read on to learn about virtual and in person events during the next few months throughout California.

Our AWHONN CA Leadership Development Conference was held at the end of September and coincided with National Diaper Awareness Week. Our leadership team came together for a rewarding weekend of knowledge sharing, brainstorming and self-care activities. Several AWHONN Student and New Grad members had the opportunity to join us as a volunteer and share opportunities for networking and exploration within our professional organization. Sweet Beginnings Diaper Bank in Martinez, CA founded by a fellow RN Lisa Sweet received nearly 4000 diapers and wipes from our generous team. Many thanks to Hologic for supporting our event.

Hope you got to participate in the EWEB Virtual 5k Your Way during Perinatal Nurses Week from October 10-16. Proceeds help support new lives as well as professional growth for nurses through scholarships and grants.

Thank you for spreading the word and encouraging friends, colleagues, and students to become AWHONN members and make a difference in the lives of our birthing families and newborns.

Warmly,
Sue Stone

Greetings AWHONN California,

Registration is open for the 2025 CA Conference! Get your Early Bird Tickets now before October 31st! We look forward to hearing from our speakers about low-dose aspirin, reproductive justice, antenatal breast expression, and many more relevant, up-to-date topics. We have a great line-up scheduled for you!

At our Annual CA Leadership Development Conference, we were honored to have two students, Emily Broadwater and Sarah Shuster, and four new graduate RNs, Mia Navarro, Lauren Vanier, Megan Burton, and Sarah Larsen, join us. They saw the Section and Chapter Leaders in action and learned about the great things we do as an organization. It was a great learning experience for them, and it was amazing to hear their perspectives and learn how we can engage student members and new graduates throughout California. Check out this [LDC 2024 Recap](#) compliments of one of our guests, Mia Navarro!

If you want to join our volunteer team on the chapter or section level, please submit an interest form through the link on our home page at california.awhonn.org.

As always, look after yourselves and keep doing great things!

Your Secretary-Treasurer,
Marinda du Toit

ACCOUNTABILITY, BELONGING & CULTURE Brandy Frye

A safe place to learn, grow, understand.

My skin color is different from yours.
My life experiences are different from yours.
Let's listen to each other's stories.
Together let's build some peace.

We can bring peace to America.

Five white people and five people of color meet via zoom with trained facilitators for six weeks.

You can learn more at www.OurStoriesOnRace.org.

In the spirit of inquiry and to better understand ourselves as well as those we serve, the CA AWHONN section leadership team is launching a pilot program in the Spring of 2024

The terrifying rate of morbidity and mortality experienced by people who do not identify as white is stunning! Nurses must come together as social justice advocates and be part of the solution. To fully address health disparities and to better serve the marginalized populations within our communities we must be willing to have brave conversations on our lived experiences. This program is a six-week program entitled Our Stories. If you are interested in hearing more about this program and possibly participating in the pilot, please access using the QR code above and complete the form.
